

VINCENZIAN

1963

Foreword

The old has made way for the new. By means of our Yearbook we hope to transmit through pictures, the new St. Vincent's Academy and our accomplishments.

Although the building is new, the same spirit of love and understanding is present. We are very proud of our school and of the outstanding things it signifies.

Each member of the staff has contributed to the development of this yearbook; our desire is to present an interesting and memorable book.

We, the Vincentian Staff, give you the 1963 Vincentian.

"A smile is a favor a friend bestows to lift you and make you glad." This is certainly true of Sister Laurentia. Serving as administrator of the bursar's office, heading the business department, and sponsoring Sodality, Sister proves conclusively each day to be a competent and helpful faculty member.

Her sincere interest in the students and her unfading sense of humor has merited for her our respect and admiration.

For these, we the staff of the 1963 Vincentian, deem it fitting and proper to dedicate this Vincentian to one of St. Vincent's most outstanding teachers—Sister Mary Laurentia.

Don't just do something, stand there!

Service! We haven't got much time.

Electrons + Neutrons + Protons = Morons?

And so you see, it's quite an honor . . .
